

The Left Brain and DA RAT BRANE

By Da RatMan

The Left Brain knows some perfect spells.
With words it grows and gleams and swells.

DA RAT BRANE NOZE ITS SPELIN SMELZ
IT RITES NO PROZE AN SKREEMZ AN YELZ

The Left Brain teaches how to write
silent letters beaming bright.

DA RAT BRANE LERNZ BY SOWNZ AN SITE
IT TELZ DA TEECH TO "FLIGH A KIGHT!"

"Ahoy, Starboard," the Port side said.
"Dust off the books inside your head
and rightly spell what you have read."

and kicks its tale...
